Further Study of Federal Building Indicated by P.M.

In a letter addressed to former Mayor Dr. Henry Shimbashi received last week, Prime Minister Trudeau's office noted that information provided by Dr. Shimbashi was being forwarded to the Postmaster General and the Minister of Public Works with a request that the representations receive further consideration.

The exchange of letters between Dr. Shimbashi and Prime Minister Trudeau started during the summer and on September 24th Mr. Trudeau noted that in view of his government's expressed intention of containing expenditures it was not intended to proceed with a federal building in Drayton Valley at the present time.

His letter said in part: "Local annual postal revenue has risen, in the past 9 years, from $34,000 to $37,700, and a projection of probable increase in the volume of mail has been carried out. From the figures obtained, it is clear that a Post Office building as such cannot be justified economically. In consequence, the choice has been to lease new premises which, when renovated, should adequately meet projected requirements and needs for the 10 year period of the lease.

"You are aware, of course, of my government's desire - and indeed of my expressed intention - to contain government expenditures. In view of this, if for no other reason, I regret that your request for the erection of a federal building for Drayton Valley cannot be acceded to at this time."

On October 17th Dr. Shimbashi replied to the Prime Minister as follows:

"I was pleased to note your "government's desire to contain government expenditures". However I fail to see evidence of this in this instance. In order to rent accommodation for the post office it is going to cost the Government of Canada in the neighborhood of $120,000.00 over a period of ten years. (I understand this will be the length of the proposed lease.) For half of this amount a building could be constructed that:

Legion Receives Plaques

Canadian Legion Branch President Pat Turner (L) is shown here accepting a pair of memorial wall plaques from Mr. Duncan Mills. Mr. Mills, who moved to Drayton Valley recently, undertook the making of the plaques as a Centennial Project and has given them to seventy-five Canadian cities and towns.

Spillway Tested At Brazeau Dam

Calgary Power Ltd. tested an $8,000,000 spillway at the Brazeau Dam last week to clear the way for added water storage in the 10,600 acre reservoir behind the dam.

The spillway has been under construction for almost two years and is the latest major phase in the development of the power complex. It is designed to serve as an emergency escape route for water in the event of extremely heavy run-off.

The Brazeau River is subject to fast and drastic changes in level and flow, resulting in rapid changes in the level of the reservoir. To prevent overflow, the reservoir was kept at a lower level.

If the spillway is ever used, the excess water will flow into the 22-mile long section of the riverbed that has been dry for half a decade. The Brazeau is diverted along a canal to the main power house and returned downstream to the age-old river canyon.

The spilled water will travel down the abandoned section of the riverbed, to rejoin the main flow of the river below the power house.

The spillway meets the riverbed immediately below the main dam, and almost at right angles to the riverbed. Engineers feared that this near 90-degree turn in the flow of the water may cause severe washout on the far bank of the valley.

To compensate for this, the spillway chute was turned upward at the bottom end into a flip bucket, redirecting the rushing water into the air and back into the riverbed in a spray.

The test involved the opening of the flood gates at the head of the spillway and allowing measured amounts of water to escape. The water surged down the 1,400 foot chute and over the flip bucket.

Two tests were conducted. The first involved 30 minutes of flow at 3,750,000 gallons per minute. The second test was double the first at 7,500,000 gallons per minute for a period of 20 minutes.

Almost one-third of a billion gallons escaped and engineers were very pleased with the results of the test.

The Brazeau Power Development supplies power to the Calgary Power grid during peak demand periods. Two generators jump into action on a radio response as the demand requires, to bolster a power complex that supplies two-thirds of the province's electrical needs.

Appointed to Education Board

A story in the current copy of the Alberta Pharmaceutical Association's Bulletin notes the announcement of Mr. Howard Pickup of Drayton Valley to the Association's Standing Committee on Continuing Education.

Increased demands and new opportunities before the committee made new appointments necessary. Besides Mr. Pickup, Mr. Peter Coyle of Calgary was also appointed to the committee.

The committee plans an early meeting in Calgary to prepare plans for regional programs in the field of medicine and pharmacy.

COURT GRANTS P.O. PERMIT

Mr. Justice Dechene in the Supreme Court of Alberta in Edmonton October 31st ordered the issuance of a building permit to Pembina Projects Ltd. for renovations to the Drayton Valley Post Office.

In ordering the issuance of the permit Mr. Justice Dechene noted the proposed alteration of the building is not a development under the Development Control Bylaw and that Pembina Projects Ltd. was therefore not required to apply to the town for a development permit.

The issue arose in August when Pembina Projects Ltd. applied and was refused a permit by the town.

Costs of $250.00 were assessed against the town.

Stony Plain A.A.R.N. Chapter Plans Program

The Stony Plain Chapter of the Association of Registered Nurses will present a program dealing with the legal aspects of health care on November 19th at 8 p.m. in the Stony Plain Memorial High School.

The program is open to all people connected with health care, e.g., doctors, nurses, orderlies, ward aides, receptionists, etc.

Mr. Tevie Miller, representative for the A.A.R.N., will be the guest speaker. A special question period has been arranged to deal with any specific related problems.

The meeting is directed toward stimulating interest in the A.A.R.N. and informing concerned persons of their legal responsibilities and rights.

SAFE DRIVING AWARDS

The Department of Highways and Transport of the Government of Alberta is offering an award to Alberta residents who have driven one million miles without accident and without convictions. The Alberta Motor Association is co-operating and will process the applications of drivers of automobiles and the Alberta Motor Transport Association will process the applications from truckers.

Shown above admiring days suits (or pyjamas) made by local women in response to an appeal for needy children around the world are (left to right) Mrs. Flo Vanstone, Mrs. Doris Anderson, Mrs. Margaret Stordolsvoll, Mrs. Bernice Wedman and Mrs. Audrey Graham.

Ladies Sew Pyjamas for Needy

The E & O Sewing Basket was the scene this week of commercial sewing demonstrations. About 42 women attended and in the evening 9 teenagers made themselves dresses in a total of 9 hours out of Fortrel.

The instructor, Mrs. Doris Anderson is also co-ordinator for Alberta for World Vision, a non-denominational organization which serves needy children around the world. Her day-time students caught the "Vision of Needy Children" and donated a station wagon full of used clothing and also 22 new pairs of pyjamas were made.

Mrs. Anderson said "That's wonderful and thank you, I wish I could list all of your names but there were too many wonderful people who responded."

Church groups in this area will also be sending in their pyjamas and "Viet Kits" and used clothing to Box 100, Wetaskiwin or bring them to the E & O Sewing Basket for pick up. Previously good were shipped to Toronto which proved too expensive.

CARNWOOD NEWS

Visiting at the home of Mr. and Mrs. E. Jacobsen was Mr. Glen Jacobsen of Edmonton.

Mr. Bert Ahlskog of Wildwood visited his brother-in-law John Veldhouse.

Visiting at the home of Jim Saunders were Joe and Donna Saunders and family of Edmonton

Mrs. Irene Gillespie was visiting with her sister, Evelyn Roos of Buck Creek, recently.

Mrs. Clayton Bowen and Rose and Jim Saunders attended the Family Life Series at Warburg on Thursday. These series are well worth attending.

The Legion Auxiliary Warburg #205 held its elections of officers, they are: President Mrs. Norma Bowen, 1st Vice President Mrs. Gwen Hooks, 2nd Vice President Mrs. Lilabelle Hankins, Secretary-Treasurer Mrs. Rose Saunders, and Sergeant At Arms Mrs. Florence Foster.

Visiting with Rose and Jim Saunders last week were Mr. and Mrs. Doug Young and Alfred and Colleen.

Further Study Federal Building

Continued from Page 1

would be, at least as large; would be more functional - because it would be constructed to meet post office requirements and standards; and would enhance the Federal Government image in the locality. Does this sound like "containing my government's expenditures" to you?

"Drayton Valley is a town of between 3,500 and 3,600 people serving an additional 20,000 in the surrounding rural area. We have had our best year, since the Oil Boom days, this year. Building permits, at this writing, have exceeded One Million Dollars - commercial and industrial development has never been so good. This Town is going ahead and deserves more recognition from it's senior government than it is getting. It is the hub of an area that figures very prominantly in Federal Revenue Funds - that's on the right side of the ledger. Is it not right and proper that consideration should be given to your providers when there is valid and reasonable grounds for doing so?

"I firmly believe that our Government of Canada should construct a Federal Building, suitable to house a post office, in Drayton Valley, and, if our government of Canada is sincere in their present economic policy it will agree."

The latest word on the subject was the letter received from the Prime Minister's office, dated November 5th, to the effect that copies of the letter were going to the Postmaster General and the Minister of Public Works with a request that representations contained in Dr. Shimbashi's letter receive further consideration.

Wabamun News

Mr. and Mrs. Fred Woollard flew out to Vancouver for a few days.

The gas line is in on the north road which passes by F. Woollard and W. Dumont's farms. They expect it to be turned on real soon.

Mr. J. Zarowny is home after spending some time in the hospital. We hope you will soon be feeling much better Joe.

Mr. and Mrs. R.T. Ward have their daughter Kathleen home from Edmonton for a few days.

The Wabamun United Church held its tea on November 5th and it was a real success as the day was lovely and the folks certainly turned out for the occasion.

Mrs. S. Phillips of Tisdale, Saskatchewan visited with her sister and brother-in-law, Mr. and Mrs. D.M. Roberts, for a few days last week.

Sorry to hear that Mrs. A. Goyan's mother is in an Edmonton hospital. We do hope she is improving by now.

Mrs. Dorothy Gunn is spending a few days with Mrs. Travis in Edmonton.

Mrs. Stafford Sr. has undergone surgery and is in the Stony Plain Hospital. Hope to see you home soon Mrs. Stafford.

PARKCOURT NEWS

A shower was held on Saturday night at the home of Mrs. Lydia Novitski in honor of Miss Jean Marie Sarrasin whose marriage to Mr. George Antoniuk will take place next Saturday. The bride opened a lovely assortment of gifts at her surprise shower after which a lovely lunch was served.

Mr. Jerry Weigle of Edmonton spent the weekend at his home here.

Mr. Joe Wyshinski is now employed at the peat moss plant in Evansburg.

The farmers are back on the land and getting stuck and plowing mud seems to be the order of the day. Some are working at night in order to move on the frost. Gradually, some of the crops are coming in.

A community smorgasbord supper was held in the hall on Sunday night. Supper, prepared by the Gay Gathers, was served between 6 and 8 p.m.

Following the supper, an evening of games and cards was enjoyed.

On Hallowe'en night many of the younger crowd attended a party in the high school while some of the little ones called on homes throughout the district. Costumes, treats and tricks were enjoyed by all.

LETTERS TO THE EDITOR

Editor
The Western Review,
Drayton Valley, Alberta

Dear Sir:

On the 6th of September 1969, the 21st congress, the largest ever held, with 700 delegates representing 210,000,000 Red Cross, Red Crescent, and the Red Lion and Sun members of the world. At the opening of this session, it was disclosed that more than 90,000,000 people have been killed in wars since this century began.

We as human beings claim ourselves as being the most intelligent of all living things upon the face of this earth, yet shamefully I have to say, that the war deaths of the past history, has proven to me that man has shown less intelligence than that of the animals that roam the earth. To see one animal kill another is quite understandable since nature has meant it to be. Is it possible for man to eliminate the use of deadly weapons when trying to settle disputes. I sometimes wonder why man cannot use his God-given brain, finding more time to sit at a conference table where agreements could be made being beneficial to all mankind. I can't help but feel that wars have been used as a means of elimination of the human population by these so-called leaders of the world. My faith is in those doctors and scientists of the world who can do a far better job in so far as the population control is concerned, without shedding human blood.

But these innocent men and women who have died in the past wars, it is because there are those people throughout the world who look upon themselves as being self-appointed leaders who are too eager in wanting to take possession of the world, and the people that are in it. To do this, this of course, means that these people will go to any extent of schemeing, plotting, and planning to bring about devastation throughout the world. These same people live in madness. They neither fear nor believe in God, therefore disregarding the true value of human life, be it one or even millions. If they do succeed, (God forbid), it could only mean an all-out nuclear war, turning this earth of ours into a lifeless planet like that of the moon.

At this point I must say man has been faced with some of the most complicated problems in the past years and has somehow solved them, yet surprisingly enough, there has been, for hundreds of years, a simple problem that man has not yet been able to solve, and that is, how to live with one another in a peaceful co-existance in a brotherly fashion.

Not only I, but I'm sure there are many people throughout the world, who would like very much to see all the countries of the world become united, in a brotherly fashion for a permanent peace.

To help it succeed what can we do? I would say that the rich countries of the world could extend a helping hand of friendship and fraternity to those countries in distress. If all countries of the world are willing to help one another. Let us pray to God that we could work as one free people toward the lofty goal of everlasting world peace.

Yours sincerely,
Duncan L. Mills

Drayton Valley, Alberta

Dear Sir:

Recently the Edmonton Journal carried an extensive account of the Federal Minister of Agriculture, Hon. Bud Olson's trip of the farming areas in the Province.

On the CFRN-TV Saturday night news-in connection with his tour - it was brought to light that 15% of the Alberta Farmers are offering their farms for sale while 30 - 50% of the farmers would sell if approached with a reasonable offer. These statistics were supplied by the Farmers Union of Alberta.

With all these farmers willing to leave their land, it doesn't seem logical to me to build a $1,350,000 school in Evansburg at this time.

Sincerely,
Fr. Lynch.

AN OPEN LETTER TO PARENTS

I had the honor, along with my husband and four other parents, plus one of our teachers and his wife, to chaperone a teen dance in the Legion Hall on Friday night. The only regret I have, is that more of the parents couldn't be there to see our teenagers and their friends. I only hope that this is just the new beginning and that during the course of the next months, yes years, that every parent in this town will be able to say, yes I have chaperoned Teen Town. Let it be said that everyone of you will come away with a sense of a job well done. Not necessarily by you, but your teenager. I know so few by name but they needed no names, their actions and conduct were good enough for me.

Oh yes, the music gets to us old foogies, (but our drug stores are selling ear plugs). The same music gets to our kids, and they dig. Let us do the same, get out and dig for the youths of our town.

We have a good town, so have we a good bunch of kids in it. Let them prove it to you, the parents.

Mildred Holmen

Windfall Contestant

Mr. and Mrs. Norman Mills of Drayton Valley left this week for Vancouver where Mr. Mills will be a contestant on the "Windfall" program on Saturday, November 15th.

Do you realize we can no longer teach that everything that goes up must come down?

F.M.H.S. Students Complete Sociological Survey

As was mentioned previously in The Western Review, our Sociology class surveyed the South East section of town.

This survey consisted of mainly questions based on the accommodations available in the Town of Drayton Valley.

We began the survey approximately three weeks ago. Our class was split into eight groups and each of these groups had a separate section of town to survey. A letter of introduction signed by the town administration and the teacher in charge was sent around with each group pointing out that it was not in any way compulsory that the questionaire be answered. The full result of the questionaire is being sent to the town administration for study.

It was interesting to observe the reaction of the people involved. Here are a few of the statistics which were gathered. When asked if Drayton Valley needed more accommodation for rent or sale, 76% said rent, 20% said sale and 4% were undecided. Yet when asked whether their house was rented or owned, 77% owned their own homes while 23% rented homes. Another question asked on the survey was the number of rooms available for other than family members, 14½% have rooms available for other than family members while only 12½% have rooms occupied by boarders.

One of the more interesting questions asked on the survey was one dealing with applicances in the home. 14% had colored television. Dishwashers were owned by 11% of the people. Approximately 100% owned at least one car, 28% owned 2 cars, 4% owned 3 cars while 2% owned 4 cars. This included company vehicles which were used for private purposes.

It was interesting to observe the reactions of the people involved. We would like to thank the people who so kindly co-operated with us in our survey.

SUB-MITS
FROM THE ELEMENTARY SCHOOL

Friday, November 14th was supposed to be the day of report cards. However, the forms have not arrived from the County Office, so your child will probably get his report next week. More about reports next week then.

* * *

The Junior Red Cross Club is again in the news. Here is their latest activity.

"On Friday, October 31st Mrs. Hammerlindl's room put on a Bake Sale at the Drayton Valley Elementary School for the grade fives. They had a Hallowe'en party too. At the party they had costume judging. Prizes were 25¢. The best girl was Michaelle Shimbashi, best boy was Dennis Wenaas, funniest girl was Tammy Hutton and funniest boy Charles Obst. The judges were Mrs. Martin and Mrs. Mayan. Also there was Go-Go dancing on stage. The winners for the best Go-Go dancing were Leon Peck, Guy Ness, Laurel McEachern and Marilynn Kos. The judges were, Bradley Brown, Donald Armstrong and Trevor LaBranch. Junior Red Cross earned $16.00. They will send part to the Junior Red Cross and save half to buy something for their schoolroom."

By Delene Janishewski.

* * *

Did you hear the story about our librarian? It seems she had just helped a grade four student with a special project. When all had been said, the two just stood there side by side. Said Mrs. Martin, "Was there anything else you wanted?" The girl said "No", but did not leave. Again Mrs. Martin went over something in the assignment, thinking the girl did not understand. Said Mrs. Martin, "Was there anything else?" "No" said the girl and still didn't leave. Mrs. Martin -- "Are you sure it is all clear?" Girl -- "Yes", still unmoved. Finally Mrs. Martin glanced down and discovered that she had been standing on the girl's shoe lace. The girl was too polite to ask Mrs. Martin to move.

Hospital Auxiliary Meets Thursday

The regular monthly meeting of the Drayton Valley Hospital Auxiliary will be held on Thursday, November 13th at 8:00 p.m at the nurses residence. A reminder to members of our white elephant sale and membership drive.

Tomahawk Library Board Meets

The Tomahawk Community Library Board met on Wednesday afternoon, November 5th, in the library with eight members present.

The Secretary read the financial statement of the July 1st picnic booth and was happy to report that we cleared $151.90.

A letter will be sent to Mrs. Olive Jouan inviting her to join our Library Board.

We had a lively discussion on the removing of old books, books that are out of date, from the shelves. These old books are not taken out and have a tendancy to clutter up the shelves and take up room. The old books are being replaced by new books which we order twice a year.

A letter is to be sent to the County requesting the use of the library room for Whist Drives, to be held once a month for the purpose of raising additional funds for books.

Our Library Board would like to thank the County for the two grants totaling $350 for our library. We certainly appreciate this very much.

Our new books for the fall reading are now in the library and we have many new and interesting books for the adults as well as a good selection for the children.

Some of the titles for adult reading are as follows: The Arrangement, Elia Kazan; Martin Luther King Jr., Don McKee; Looking At My Heart, Dr. Philip Blaiberg; A Bottle of Sandwiches by Denis O'Grady; Vanished, Fletcher Knebel; Testimony of Two Men, Taylor Caldwell; Judas, My Brother, Frank Yerby; "The Most Defiant Priest", Father Girandola; Appointment in Budapest, Eva Kennedy; Bitter Humor, Harvey Blackstock; The Plot, Irving Wallace; I Am Mary Dunne, Brian Moore; Nancy Green Biography; The Valachi Papers, Peter Maas; Journey to Power, Donald Peacock; The Bird in a Gilded Cage, Judy LaMarsh; The Shoes of the Fisherman, Morris L. West; Christy, Catherine Marshall; Wild Goose Jack, Jack Minor; A Case of Need, Jeffery Hudson; The Eighth Day, Thornton Wilder; The Accessory, Mary Lockwood; Nicholas and Alexandra, Robert K. Massie.

Oyez! Oyez! Oyez! This is an ancient word used in connection with a historic institution - the courts. Without any further reference to history, you may agree that getting attention is a major project in the public information and advertising media.

As Fire Commissioner, I want it known that fires are killing people with fatalistic regularity -- 650 in Canada last year, 54 of them in Alberta. Every year we look for improvement because of better building construction, better equipped fire departments and better public information about how to avoid the fire killers.

So far in 1969 - 22 fire deaths in Alberta and triple that number of fire injuries. We need to think about fire safety every day and avoid the major causes of fire deaths such as misuse of flammable liquids, carelessness with gas burning heating equipment, careless handling of cigarettes and children playing with fire.

Calgary Power proudly introduces

MORE ALBERTA JUNIOR CITIZEN AWARD WINNERS

JEFFREY BIGGS

Jeffrey, aged 14, and Gordon, aged 15, are seen receiving their Junior Citizen Awards from Lieutenant Governor Grant MacEwan.

The boys received their awards for decisiveness and courage in the face of danger. At the home of friends when a fire broke out, they immediately began to fight to save the home. They had the presence of mind to physically separate the porch—which was hopelessly ablaze—from the main house. Then, carrying water in pails, they extinguished the flames eating at the main wall of the home. Later,

GORDON SPOONER

these enterprising lads built a new concrete block landing for the house.

We congratulate Jeffrey Biggs and Gordon Spooner and thank Alberta's Weekly Newspaper Editors for their active participation in the Alberta Junior Citizen of the Year program, sponsored by Alberta's investor-owned electric utility companies.

Our special thanks to the Western Catholic Reporter and to Mr. G. Eales, nominator of these two deserving lads. Jeffrey and Gordon are two of our six winners for 1969.

School Committee Regular Meeting

A regular meeting of the School Committee of the County of Parkland No. 31 was held in the County Office on Wednesday, October 22nd.

Present were Messrs. R.A. Bailey, Peter Bakker, L.N. Miller, R. Lent, R. Zander, George Mann, Ivan Vowk, W. Barth and T.W. Johnson, School Committee Members, also Assistant Superintendent, Mr. W.G. Wilson and Assistant Secretary-Treasurer, A.W. Boychuk.

INTERVIEW ENGINEERS

Mr. G.W. Bishop, Mr. Johnson, Mr. Flesher and Mr. Edwards of Hilliker & Bishop, Consulting Engineers came to see the School Committee regarding the heating in Room 15 of the Memorial Composite High School. Mr. Bishop advised that several discrepancies have been discovered in this room which create a negative condition. He promised to submit a complete written report on his investigation at a later date.

It was moved and carried that Hilliker and Bishop be requested to make a complete mechanical survey of the Memorial Composite High School and submit a written report to the School Committee at the earliest possible date.

Mr. Peter Bakker reported that a meeting was held in the High School cafeteria and it is recommended that it be re-opened. It was noted from a recent statement that, to date, the operating deficit was $2,078.76. The Committee recommended that applications be called for another cook at a higher wage.

It was moved and carried that the recommendation of the Committee be not accepted and that the cafeteria be farmed out to a catering service on a month to month basis. Mr. R. Lent and Mr. George Mann voted against the motion.

It was moved and carried that the cafeteria be let out to a catering firm on a month to month basis at no charge. Mr. George Mann and Mr. R. Lent voted against the motion.

SUPERINTENDENT'S REPORT

In the absence of Mr. Henry Toews, Mr. W.G. Wilson gave the Superintendent's Report.

He explained that some of the teachers are interested in inter-visitations with other schools out

Cont. on Page 8

Have you ever considered...

...when a chicken crosses a fine tax line?

You can find out about this fine tax line that divides a person that raises chickens from a chicken producer, through a staff inspector of the Assessment Branch of the Alberta Department of Municipal Affairs. Other questions you may have about an assessment complaint that cannot be solved at local level or by your appeal board can be referred directly to the Assessment Commissioner of the department. All standards and methods forming the basis of tax assessments are published in the provincial manual prepared by

members of the research team of the Commissioner's office and representatives will report to you on all matters dealing with adjustments or revisions originating from your request. Copies of the current Alberta Assessment Manual in use are available at a cost of $25 per copy to assist all property owners and municipalities in the proper evaluation of taxes.

...who's saving the space you're going to need for safe travel?

An active program of control over all lands needed for highway expansion is just one phase of the safeguard work done for you by the Planning Branch of the Alberta Department of Highways and Transport. To protect the public's travel corridors throughout the province, persons or businesses interested in space next to a highway require authorization from this Branch before proceeding with any development. Planning engineers and technicians also undertake province-wide location studies to determine the best and the most economical travel routes. They take continuous samplings of traffic and conduct vehicle counts to determine travel trends and make projections of road requirements, and the type of roads required. Speed studies, analysis of accidents, positioning all signs to give you proper warning along with recommending the raising or lowering of existing speed limits are additional traffic services undertaken to make sure you travel in safety and convenience on Alberta's extensive network of highways.

...becoming involved in a youthful happening?

You can learn how to participate in, and even originate, any number of new activities for young people by talking it over with a Special Projects Officer of the Alberta Department of Youth. Their range of involvement in youth programs depends on requests from young people themselves, student groups, schools, interested individuals, representatives from communities, churches, service clubs. One of the far-reaching efforts of this special project organization is to act as provincial co-ordinator for the Young Voyageur Program, operated with federal assistance, offering young Albertans the opportunity and excitement of travelling to other parts of the country. Another plan includes the province-wide high school workshops to assist student councils. The prime service and aim

of the people in Special Projects is the development of new ideas into continuing programs and happenings for active youth all over the province.

...the kind of companies other people keep?

You can look into the history of any limited liability company you are interested in that has been incorporated or registered in the Province of Alberta, at the office of the Registrar of Companies of the Provincial Secretary's Department. Documents on file with the Registrar are open to public inspection. You can look them over and obtain copies for a regular service charge. You can find out about directors, share structure, objectives, who the shareholders of an Alberta incorporated company are. The names of shareholders of extra-provincial companies registered in Alberta are not available. Checking on the availability of company names is another service provided for a nominal fee.

...arthritis need not disable a young person for a lifetime?

Quick recognition is one of the most important single things you must learn to prevent the crippling and deforming effects of Juvenile Rheumatoid Arthritis. This form of juvenile arthritis can strike fast. And early. That's why every parent and school teacher in the province should know about the assistance provided by the Division of Arthritis Services of the Alberta Department of Health. Working with family doctors, or personal physicians, a skilled professional service is available for immediate investigation and accurate diagnosis. Patients are returned with a detailed report, as quickly as possible to the family physician, while further continuing treatment, drugs, appliances and physiotherapy are provided without charge for all youngsters and anyone up to the age of twenty five. A major benefit of this prompt clinical treatment enables young people to keep up with school work, or hold down jobs while taking treatment under this program of service.

...a better way to select beef on the hoof?

You benefit from the beef cattle performance testing program supervised by the Animal Industry Division of the Alberta Department of Agriculture, whose test records help both buyers and breeders. Livestock producers can readily check the animals with the best rate of gain in any particular grouping by looking at the index ratings processed and provided under the program. The only limitation on the size of herds for proper comparisons is a minimum of five calves of one sex in each test group. Other similar programs to assist in better selection are available for the sheep and swine industries. A province-wide increase in applications for the beef cattle service occurred last year and the tenth annual report of completed tests is available on request without charge.

Regular Meeting School Committee

Cont. from Page 7

of the County.

It was moved and carried that the School Committee approve the policy of inter-visitations for school teachers.

The principal of the Spruce Grove School requested the full time services of a librarian.

It was moved and carried that a full time librarian be authorized for the Spruce Grove School.

It was recommended that Mrs. R.E. Phillips be hired temporarily on a part time basis to teach remedial reading in Seba Beach. on three quarter time.

It was moved and carried that Mrs. R.E. Phillips be hired temporarily on a part time basis to teach remedial reading in Seba Beach.

Mr. Stan Hodgson, Architect for the Spruce Grove School, came to see the School Committee to report the progress on the construction site.

The contractor has estimated completion date as June 15th, 1970. However, by and large the progress seems quite satisfactory and fairly close to schedule.

It was moved and carried that a letter be sent to McLeod Mercantile inviting them to come in and discuss with Mr. W.G. Wilson their outstanding account on sports equipment.

RESIGNATION FROM SCHOOL COMMITTEE

A letter was received from the Secretary-Treasurer of the Village of Entwistle advising that Mr. Don Gylander has resigned from the School Committee due to irregularities in election procedures and that another election has been called for November 19th.

It was moved and carried that the quotation of Noralta Plumbing and Heating in the amount of $5,559.85 for converting the furnaces in the Duffield, Tomahawk and Keephills Schools to propane be accepted.

It was moved and carried that the quotation of Coin Electric Ltd. in the amount of $1,350 for car plug-ins at the Drayton Valley Schools be accepted.

It was moved and carried that the lighting in the Seba Beach School Gymnasium be changed at an approximate cost of $1,015 and that the lighting in the Wabamun School be changed at an approximate cost of $744.

It was moved and carried that 4 additional duplex car plugs be installed at the Spruce Grove School at an estimated cost of $180 and that 11 additional duplex car plugs be installed at the County Office building at an estimated cost of $1,295.

It was moved and carried that the matter of lab sinks and gas hook up at the Winterburn School be referred to Mr. E.W. Hillyer for action.

It was moved and carried that, to clarify Resolution No. 671 of the October 10th meeting and in view of the fact that there are 5 portable schools at Spruce Grove, Emil Deering be paid an additional $50 per month or a total of $475 for the caretaking.

It was moved and carried that Mr. E.W. Hillyer be authorized to hire one more man for maintenance.

It was moved and carried that A B C School of Music be allowed use of the Spruce Grove Village Office for music lessons on Saturdays at a charge of $4 per hour.

It was moved and carried that contracts be signed with all school school bus operators.

Mr. W. Barth reported that to date the school buses of D.O. Clarke, Harry L. Hennig and Herman Steinke have not been appraised but will be by the next meeting.

Mr. George Mann reported that the overloads to Stony Plain have already been eliminated but the Committee would still like to explore all other possibilities and report to the next meeting.

STATEMENT OF NEED DRAYTON VALLEY

The School Committee was informed that a reply again came from the School Buildings Board re-iterating it's previous stand that an addition be built to the existing Frank Maddock High School and not a completely new unit.

It was moved and carried that the letter received from the School Buildings Board on the Statement of Need for Drayton Valley be tabled until after the poll on the Edson-Stony Regional High School is held.

It was moved and carried that the east side of the old Tomahawk duplex (teacherage) be rented to Dorian Lay at $55 per month plus $10 per month for utilities.

It was moved and carried that Mr. John Marsh's request for leave of absence be referred to the Superintendent of Schools for a recommendation.

It was related to the School Committee that on Friday, October 17th R. McElhinney had a school bus accident involving bodily injury to a passenger or passengers but no official written report has been received in the office.

It was moved and carried that a letter be sent to Mr. R. McElhinney requesting that a full written report on his accident be submitted to the County Office immediately.

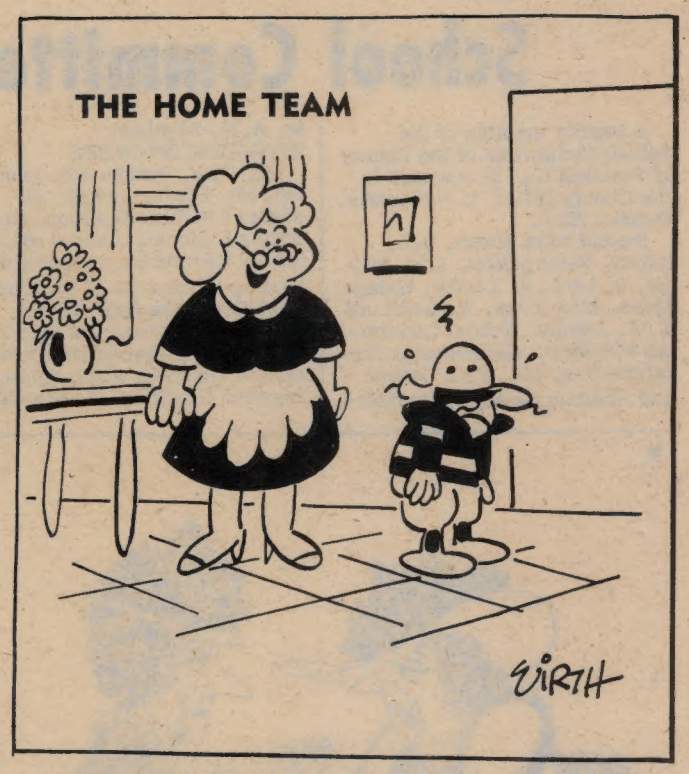
It was moved and carried that the organization meeting of the School Committee be held on Tuesday, December 2nd, 1969.

It was moved and carried that the projector in the Drayton Valley Junior High be replaced.

USE OF DRAYTON VALLEY ELEMENTARY SCHOOL GYM

A letter was received from the Elks Lodge of Drayton Valley for permission to hold closed dances for the In Crowd Teen Club in the Drayton Valley Elementary School Gymnasium.

It was moved and carried that the request of the Drayton Valley B.P.O.E. to use the Elementary School Gym be tabled.



"You threw 14 intercepted passes . . . that's very good!"

FALLIS NEWS

Mr. and Mrs. Peter Moller, former residents of the Fallis district who have been living in Victoria for the past several years, have returned to Alberta and now reside in Edmonton. They were Sunday visitors at the home of Mrs. E. Fell here. Their daughter and son-in-law, Mr. and Mrs. Peter Hanson live at Fox Creek.

Mrs. Michael Mashtaler recently visited her daughter and son-in-law, Dr. and Mrs. Edward Tworek at St. Albert.

Mr. John Kachur of Seba Beach has bought the former Matt Johnson place in Fallis and recently has been busy moving.

Mrs. McKim of Edmonton has purchased the former William Martin place on the hillside in Fallis. She and her daughter spent several weeks here during the summer holidaying and making improvements on the property.

Mr. Tony Pace has gone to the coast where he intends to spend the winter months with his sisters in Vancouver. Mr. Pace recently moved to Fallis Village where he has built a new house.

Mr. and Mrs. Bert Treen of Edmonton have been busy planting trees at their cottage here.

A warm and sincere welcome is extended to all these new residents in the Fallis Village from all their new friends and neighbors.

Lions Induct New Members

New members of the Drayton Valley Lions Club are shown here following induction ceremonies by District Governor Andy Fraser at the regular meeting last Tuesday evening. Top photo (left to right) are District Governor Andy Fraser, Alex Zubot, Ross Betton, Rick Tuffs, Ken Hamilton, Ed Feniak and Len Kay. Lower photo, left to right, are Gunther Schmidt, Ron Knight, Krist Steffeson, District Governor Andy Fraser, Jim Jackson, John Braybrook, Don Trow and Robert Gordon.

Exhibition Win By Rebels 6-4

Drayton Valley fans witnessed an exciting and entertaining hockey game here last Saturday night as the Rebels turned back Rockey Mountain House 6 - 4.

The Rams applied a lot of pressure in the final minutes in an attempt to save the equalizer but Frank Novosel tallied the insurance marker with only 5 seconds left to play in the game.

The game was highlighted by the performance of three stars. Frank Novosel in his hat-trick J. Armet turned in a fine performance in the Ram nets and Doug Hall provided good skating, puck handling and goal he scored on an end to end rush on one particular occasion. Big number 4 of the Rams, B. Baich was the target of most of the Drayton Valley boo's but he played well and handed out many stiff body checks. The game had only 7 penalties and the Rebels took only one of them.

Scoring in the first period was Humbke, Quinn and Ogilvie for the Rams while Ness and Novasel tallied for the Rebels. Then Hall and Born scored and Rebels had 4 - 3 at the end of the second period. Quinn tied it all up early in the 3rd period and Novosel regained the lead for the Rebels at the 10:16 mark. Then things really got interesting from then on as many Rebels attempts were thwarted by Armet and then the Rams coming back strong offensively until Novosel scored at 19:55 and Drayton Valley fans began to breathe easier.

The Rebels travel to Rocky Mountain House on Thursday, November 13th for a return match and it too should be a good game to watch.

Last Thursday the Rebels travelled to Stony Plain and were beaten 6 - 4 by the Eagles. The Rebels were missing many key men and it cost them the game. The Eagles led throughout but Hemmingway, McGowan, Davie and Ness scored to keep the game close.

The Rebels were forced to shuffle their lines plus being shorthanded always makes it difficult to come up with a winning hockey team. But exhibition games serve many purposes and all are beneficial to the players and coach. This game was no exception as it helped to condition the skaters prior to the regular schedule.

At present there are no more exhibition games scheduled here in Drayton Valley but there is always a possibility and fans can watch for announcements in the forms of the banner across from the I. G. A. parking lot, posters and public address announcements over the Lions Club sound system.

HELP WANTED FOR SPRUCE GROVE SCHOOL

The County of Parkland No. 31 requires the services of a Library Custodian to take full charge of the Spruce Grove School library for the balance of the 1969-1970 school year. This library serves approximately 650 pupils in Grades I to IX.

Preference will be given to applicants with some formal library training and previous experience. The salary range is between $215.00 to $240.00 per month depending on qualifications and experience.

Application forms are available at the office of the County of Parkland No. 31 in Stony Plain and should be submitted to the undersigned not later than 10:00 a.m. on Friday, November 14, 1969.

A. W. BOYCHUK,
Assistant Secretary-Treasurer,
County of Parkland No. 31
Stony Plain, Alberta.

D. V. Highlights

BY MRS. EDITH DEBY

Best wishes for a happy future go to Mr. and Mrs. Glen Swenseid, nee Charlotte Parenteau, whose marriage was solemnized in St. Anthony's on Saturday.

Mr. and Mrs. Vaughn Thompson and Kent and Mr. and Mrs. Barry Thompson went to La Fleche, Saskatchewan to attend the wedding dance of Mr. and Mrs. Ronald Clermont on November 8th. Mrs. Clermont is the former Velda Thompson daughter of Mr. and Mrs. Vaughn Thompson.

By practising the utmost discretion and secrecy the Ladies Group of Dunington were able to organize a surprise twenty fifth wedding anniversary party for Mr. and Mrs. Albert Grinde that really was a surprise. Until midnight of November 1st the affair appeared to be no more than the usual neighbourhood dance but at supper time events changed in a hurry. The guests of honour were asked to take their places before a table on which reposed the wedding cake and a two tier cake plate with the words "Twenty-fifth anniversary" outlined in silver dollars. Mrs. Mary Cooper and Mrs. Harmon Swap had made the cake. Musicians for the occasion were: Mrs. William Robinson (Irene), Mr. and Mrs. Noel Hallet, Mrs. George Hines and Master Erick Erickson. Out of town guests included Mr. and Mrs. Vancel Misner of Rocky Mountain House and Mr. and Mrs. Irvine Roth of Forestburg.

Mrs. Harold Smithinsky is holding classes at the Dunington Hall for ladies interested in making Christmas decorations.

A wedding of interest was solemnized in Lethbridge when Miss Ruth McAllister became the bride of Mr. Grant Mastre, son of Mr. and Mrs. Morris Mastre. The happy young couple will live in Camrose where the groom is studying for the minstery.

We wish to take this opportunity to extend best wishes to Mr. and Mrs. Edward Hines Sr. who celebrated their fortieth wedding anniversary with a dinner and dance in the Elks Community Hall last Friday night.

Mr. and Mrs. M. M. Hamilton, of Alcomdale and Mr. and Mrs. Leonard Martin, or Red Deer, were in town last weekend to attend the Hines anniversary party.

Mr. Ole Stordalsvoll is visiting in Creston and it is hoped that Mr. Brownbill and Mr. Pickavance may return with him for a visit.

THE HOMEMAKER

MRS. SHEILA BROWN

District Home Ecomonist
10426-81 Ave.
Edmonton,
Alberta
Ph. 433-8060

FOR THE HUNTER! -- How many of your homemakers share my predicament? The hunting season was a great success at our house and I now have the task of preparing winter meals based around a moose-menu.

I've attempted to pass on some general information about "Wild Game Cookery" in this column. For specific recipes and novel ideas I would highly recommend you purchase the "Northern Cookbook". It was written by Eleanor A. Ellis for the Department of Indian Affairs and Northern Development and is really excellent. Now, on to some general information about wild meat.

Often you are advised to soak wild game overnight in a salt or vinegar solution. This is no longer recommended. The soaking is not necessary if the carcass is bled and cooled properly. Soaking causes many of the water soluble vitamins to be lost. With the rising cost of meat many families are using wild game as an important part of their food plan. It is not good management to allow nutrients to go down the drain.

Before packing for freezing cut off all visible fat for this gives the "gamey" taste. Fat from wild game contains a large amount of the highly saturated fatty acids which result in a very heavy tallow which goes rancid in storage after a period of time. If the animal is young you may want to leave some fat on but serve the meat piping hot.

As with all meats, wild game should be wrapped carefully in a moisture and vapour proof wrapping. If you want to be sure it will be air tight you can wrap a sheet of saran wrap around the outside of the packages.

All meats should be "sharp frozen". The temperature at which meat freezes is 18 degrees F. (not 32 degrees F. which is the freezing temperature of water) Keep in mind that for every 10 pounds of meat put into a home freezer to freeze, the temperature of the unit rises about 5 degrees. You probably keep your freezer at 0 degrees F. so you can see that it is easy to raise the internal temperature in your freezer about 18 degrees. What happens if food is frozen slowly? Large ice crystals form which tend to break down the cell walls of the food. As it cools the moisture tends to be drawn to the outside of the product. When the meat is cooked this moisture on the outside evaporates quickly. Both cause a spongy product. When you are ready to use the meat thaw it in the refrigerator. Again this applies to all meat. If the meat is thawed at room temperature, by the time the inside is thawed, the outside has a very high bacteria count.

If you have prepared the wild game carefully you can handle it in the same way as you would a cut of pork or beef taken from the same part of the carcass. Because wild game does not have the internal fat marbling that you find in the domestic meats you will probably find that it is best served with a good sauce or mixed with sausage or bacon to avoid dryness. It was suggested to put a pat of butter on the meat just prior to serving and allow it to melt into the meat. Or you could lay the cuts from a roast in a gravey or sauce just before serving.

Happy Hunting.....and Eating!

Trip Described By Girl Guide

The Drayton Valley W.I. met at the home of Mrs. Roy Burrows with eight members and one visitor present. The highlight of the evening was a series of slides shown by Joanne Chenery giving a word picture of her trip to Europe and Switzerland as a representative Girl Guide from Alberta, to the World Diamond Jubilee of Guiding.

Mrs. Oscar was asked to make the presentation of a cook book to Lynne Hurley for having obtained the highest mark in Grade nine Home Economics.

The next meeting will be held on November 17th at the home of Mrs. Deby.

TOMAHAWK NEWS

Get well wishes are extended to Mr. Bill Lukaniuk from his many friends in Tomahawk. Bill is in the University Hospital undergoing surgery on his leg which he had the misfortune to break some time ago. It seems the bones weren't knitting properly, so had to be re-broken. Hope this time everything will work out better Bill. Also to Mr. Gene Shaw and Mrs. Dave Brown, who are both in the Glenrose Hospital receiving treatments, we extend the same wishes and hope they will be back home soon and feeling in top shape.

Congratulations are in order for two Tomahawk girls who won awards for high academic achievement in grades 11 and 12. Miss Terry Pezzot won her award for being top student in grade 11 and Miss Patricia Crawford for Grade 12 English. The awards were presented to the students by the Ladies of the Royal Purple at Drayton Valley on Tuesday, November 4th.

I have been asked to thank all the boys and girls who turned out to help the ladies of the community paint the skating rink. A new well has also been drilled so everything is now ready for the winter sports schedule.

The Tomahawk and surrounding district was deeply saddened by the passing of one of our oldest pioneers, Mr. Florin Robertson at the Misicordia Hospital on October 24th. Mr. Robertson came to Tomahawk with his mother in 1908, at the age of 17. They took a homestead on the North Saskatchewan River flat where he has lived ever since. A period of 61 years. Florin was well known in the district, and besides farming did carpenter work as well. His wife Ellen predeceased him 3 years ago. He will be greatly missed by his many many friends. Anyone wishing to donate to the Tomahawk Library in his memory may do so by contacting Mrs. Hazel Overbo.

Mr. Ted Berryhill from Oklahoma was in Tomahawk visiting his parents, Mr. and Mrs. Peter Berryhill last week. He flew up to attend the funeral of his grandfather, Mr. Florin Robertson.

U.F.A. Records High Volume

CALGARY -- In a year when Alberta farmers' cash receipts for all farm products dropped by 11 per cent, United Farmers of Alberta recorded its third highest sales volume in history, its second highest earnings, and will pay its highest petroleum patronage dividend on record.

The co-operative's financial position was reported by United Farmers board of directors at the opening session of UFA's annual meeting on Tuesday, November 4th in Calgary. More than 70 directors and delegates from all parts of the province attended the three day meeting at the Calgary Inn.

Sales of $24,015,000 during the period August 1, 1968 to July 31, 1969 were the third highest in the history of UFA, but declined $2,635,000 or 9.9% below last year's record high.

The UFA report estimated that during the same period, Alberta farm income dropped by 11% as a result of "a world-wide surplus of grains for human consumption and for animals feed, low marketing volume and decreasing prices." The one per cent increase in animals products receipts in Alberta was more than offset by a 23% decrease in cash receipts from field crops.

"Under these circumstances it is not surprising that farm people bought only those things that were essential to carry on their farming operations," the report stated. "Many found it difficult to pay for even the essentials and requests for longer than normal credit were unprecedented."

By paring 10.8% from operating expenses, the 9.9% sales decline in United Farmers volume of business produced a reduction of only 9.1% in the co-operative's yearly earnings.

From total earnings for the year amounting to $2,189,000 - the second highest on record - the rate of patronage divided earnings will be 12.1% on petroleum products, and the cash rebate on farm supply purchases will amount to three per cent.

The petroleum dividend allocation totals $1,630,000. This year's dividend rate of 12.1% is the highest in history, up .1% from last year's record.

Cash rebates of $265,000 on farm supply purchases will be paid to UFA members who patronized United Farmers 14 farm supply centres in Alberta. The cash rebate rate is slightly below last year's - three per cent against 3.2%.

Sales of petroleum products through UFA's 145 bulk oil outlets totalled $14,827,021, and the sales of other farm supplied amounted to $9,187,000 during the fiscal year. Significant increases in necessary farm production items such as equipment baler twine, grain storage and farm buildings were noted in the sales figures, while lower priority items showed a decrease in sales volume.

If the UFA meeting ratifies a proposal by the board of directors for a change of the co-operatives fiscal year to coincide with the calendar year, cash rebates on the year's business to July 31st, 1969 will be paid by March 31st, 1970. Twenty-five per cent of the current patronage dividend allocation to individuals will be paid by April of 1970, and at that time individual members will also receive the cash portion of their dividend for the five month period ending December 31st, 1969. Subject to approval by the meeting, a cash payment of 75% of patronage dividends will be made to associations on November 30th, 1969.

These dividend and cash rebate payments will bring to nearly $12,000,000 the amount of cash returned to farmers on their purchases of petroleum and other farm supplies during the past seven years. Ten million dollars has been paid in patronage dividends and nearly two million in cash rebates.

United Farmers balance sheet shows a continuing increase in total assets. Assets increased during the year to nearly $12,000,000 from $11,229,000 at the end of the previous year. Farmer-members of the UFA hold $9,228,000 or 77% of the assets.

LODGEPOLE NEWS

A prize bingo will be held on Wednesday, November 19th at 7:00 p.m. at the Community Centre. Everyone welcome.

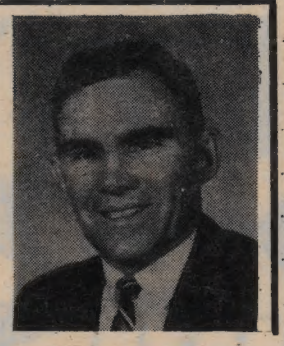
Mr. Philip Lester is home after spending three weeks in hospital in Drayton Valley.

Correction from last week - Milton Tucker, not Jensen as reported, was in hospital in Edmonton.

Mrs. G. Pederson and Mardell spent the weekend in the city. They attended the christening of Laina Wentland and Colin and Cory Siebert at Gethsemane Lutheran Church.

Recreation Round-Up

by
Mike Gormley



OFFICIAL CLINIC

The Hockey Officials Clinic held at the Centennial Civic Centre proved to be a tremendous success. The clinic held over Saturday and Sunday was well attended by local Minor Hockey referees as well as those in the surrounding area. The clinic was instructed by Bob Magee of Edmonton. Bob is rated as one of the top hockey officials in Alberta today and is also an excellent instructor as those attending the clinic will agree. Mr. Magee has worked several of the Rebel games over the past few years and will be seen here from time to time during the coming season.

This clinic will be instrumental in the upgrading of officiating in our Minor Hockey and the results of it will be evident as the local hockey season progresses.

MINOR HOCKEY PICTURE

The pieces are starting to fall into place and the Minor Hockey show should be set for the season by this week. The final registration total should reach around the 200 mark for Minor Hockey. This total would not include the two teams, Bantam and Pee Wee from Tomahawk who will be playing in the local leagues. When all is in motion, around November 15th, we should have somewhere in the vicinity of 230 hockey players taking part in our Minor Hockey program.

These boys will be divided into four different age groups. Possibly a total of 80 will be classified as Mites, 60 or 70 as Pee Wees, 40 or 50 in Bantam and there will be one Midget team. Teams at the PeeWee, Bantam and Midget levels will be playing in the Hi-Way 16 Minor Hockey League. We will also have our Community League in the Bantam, PeeWee and Mite divisions.

The regular seasonal schedule has gone into effect at the Civic Centre and this schedule has already been published in last week's issue of The Western Review.

Registration for all levels of the Minor Hockey program is still open. That is at the Recreation Office, any day, Monday through Friday, 4-6 p.m. Season tickets are on sale daily at the Centennial Civic Centre.

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending November 6, 1969 provided by the Livestock Division, Canada Department of Agriculture.

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This week (est.)	7200	3200	4000	1300	1200
Last Week	16,208	6794	9414	2092	1658
Same Week (1968)	12,714	6665	6049	1675	1066

SUMMARY

Receipts were sharply lower this week with the return of unseasonal warm weather. Offerings were again mostly replacement classes, particularly stock calves. Slaughter steers and heifers which were mostly of choice and good quality were generally scarce throughout the week. Cows were in fair supply with about 50% moving out as stockers. Slaughter trade was moderately active with slaughter steers holding steady to 25 higher. Butcher heifers sold steady most of the week but were closing 25 to 50 lower. All grades of butcher cows traded on a firmer basis 25 - 50 higher than last week's heavy offering. Bulls steady. Butcher and veal calves firm to 50 higher. Good replacement classes 50 higher under a good demand. 2155 cattle and calves were through-billed this week.

Slaughter Cattle & Calves -- Slaughter steer trade was generally active on good conditioned choice handyweights throughout the week with a few packages topping 26.40 and sales to 26.50. Closing sales were generally steady in the 26 to 26.25 range. Better quality handyweight butcher heifers were not too plentiful selling steady most of the week with sales to 25.50 for the lighter kinds. Heavy and overfinished heifers were being discounted $1 or more. In closing trade butcher heifers were selling under pressure 25 to 50 lower with sales to 25.00 for choice handyweights. Butcher cows were closing on a firmer basis 25 - 50 higher with the odd sale over 19.00. Bulls steady topping 21.60.

Replacement Cattle -- There was a good demand for all classes of replacement cattle and calves this week with prices showing some strength for the better quality kinds. Plainer kinds were holding steady. Good lighter weight feeder steers were 50 higher and also good stock calves were 50 higher. Stock cow prices were under a wide range depending on condition, weight and age.

Shipments -- Last week's out of province shipments, East 2325 feeders, 430 for slaughter. West 160 for slaughter and 78 feeders. Saskatchewan, 235 feeders, 27 for slaughter.

CLOSING PRICES

SLAUGHTER CATTLE

Choice steers 25.75 to 26.25, good 25 to 25.50, medium 24 to 24.50. Choice heifers 24.50 to 25, good 24 to 24.50, medium 22.50 to 24. Good cows 18.50 to 19, odd sale higher, medium 17 to 18. Canners & Cutters 15.50 to 17. Shells 13 to 15. Good bulls 20 to 21.50.

REPLACEMENT CATTLE & CALVES

Good feeder steers (600-750) 30 to 33. (750 up) 26 to 30, common to medium 23 to 28. Good stock and feeder heifers 25 to 28, common to medium 21 to 24. Stock cows 17 to 25. Good stock steer calves (400 & under) 38 to 40. (400 up) 35 to 38, common to medium 25 to 34. Good stock heifer calves 29 to 33, common to medium 24 to 28.

SLAUGHTER CALVES

Good to choice (300 & under) 32 to 34. (300 - 400) 29 to 32. (400 up) 25 to 29.

HOGS

A.H.P.M. Board, Monday to Thursday range 33.55 - 34.20 base price. Sows, average 25.55 dressed. Good boars 50 lower at 15.25 cwt. 615 feeder hogs sold Tuesday and Thursday afternoon ranging from 31.00 cwt. for 90 lb. feeders down to 24.00 cwt. for heavier kinds. Weaners and light feeders 14.25 to 28.00 each.

SHEEP & LAMBS

Butcher lambs 1.00 higher with regular sales to 25.00 for good to choice lambs, special sales to 26.20. Good feeder lambs 24 to 28 with special sales to 32.75.

- - OTHER MARKETS

Choice steers, Thursday a.m. Toronto 28 to 31.10; Calgary 26.25 to 26.80.

Prime steers (1150 to 1300) Chicago, Wednesday 29 to 29.50 US dollars.

EVANSBURG NEWS

Fall weather still remains with us, so it is hoped that more of the farmers will be able to get more of their crops off.

Hallowe'en has come and gone for another year now, so all the costumes ordinarily used can be out away for another year. As of to date, I've heard no reports of too much damage, except for the usual disturbed garbage cans and soaped windows. On Hallowe'en night, several children enjoyed themselves at a party at the Beach Home and the highschool students held their Hallowe'en party too. Since this year, because of the school space situation, the grade seven pupils have to attend the elementary school. By all reports, all enjoyed themselves very much and this does give the students a taste of what life is like at the Evansburg School.

Now that Hallowe'en is over, Christmas is practically at hand and we are reminded that the Ladies' Auxiliary to the Canadian Legion will again sponsor the travelling Christmas Tree in order to raise funds for the arena. The Travelling Christmas Tree works on the principle that readers give a donation to the arena fund instead of buying Christmas cards for friends which they see all the time. Instead, when a donation has been made, the donor's name goes on the tree and friends know that they have been remembered. The tree will travel from business place to business place, so wherever one does business, they may see it.

The Community League have reported that they have recently donated a cheque for $1000 to the arena building fund. Work is now progressing on the arena and it is hoped that it will be opened in the near future.

The United Church women held their regular meeting recently and decided to hold their fall bazaar, tea and bake sale on November 22nd. This will be held in the basement of the United Church. This group has also made a donation to the Bible Society. The next meeting is to take place at the home of Mrs. Stella Lorenz.

Our family is complete again, with the discharge of Zane from an Edmonton hospital. Although hobbling around in a cast, he is now able to attend school.

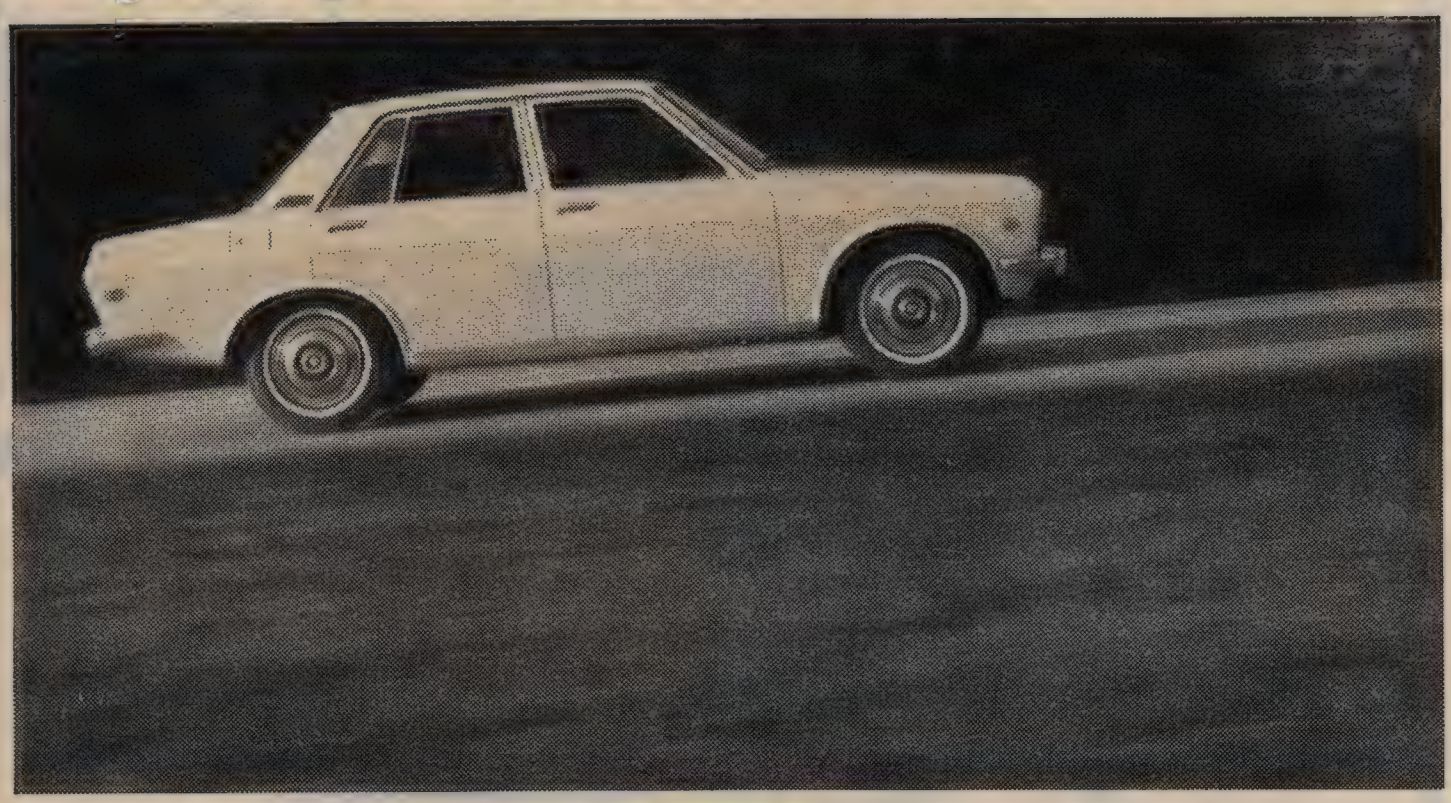
A.S.A.A. ANNOUNCE CROSS-COUNTRY RESULTS

The North Central Zone Cross Country meet was held at Kinsmen Park two weeks ago with team results as follows: Girls Aggregate - Parkland, Lac St. Anne, Athabasca, and Strathcona. Boys Aggregate - Strathcona, Parkland, St. Albert, Athabasca, and Westlock. Grand Aggregate - Strathcona, Parkland, Athabasca, Lac St. Anne, and St. Albert and Westlock.

At the Provincial meet held one week after the Zone meet, the North Central boys' and girls' teams placed second behind the powerful Calgary teams.

The schools are now focusing their attention on volleyball. The North Central Zone finals will be held at Athabasca November 14th. Various schools were able to host tournaments in preparation for these playoffs.

Datsun 1600 automatic gives you everything you want. Just put your foot down.



There's only one way to handle the Datsun 1600 automatic.
Briskly.

When you want to pass on the freeway, just swing out, tramp on the gas and your Datsun will jump to it.

You see, the Datsun 1600 is not like most small automatics. Small cars generally don't have the engine capacity to handle an automatic transmission properly. And most of them only have a 2-speed transmission, so you don't get any pick-up at all.

What you do get is a gutless wonder.

Datsun 1600 is different.
It's got guts. 96 hp, and one of the best power/weight ratios in its class.

A silky three (count 'em, three) speed Borg-Warner transmission. 100 mph performance. Datsun 1600 has poke.

And with all that poke you get contoured bucket seats, front discs, all independent suspension, choice of two doors, four doors or a wagon . . . all the extras, all the luxuries and all the performance of the standard Datsun 1600.

Just no gearshift. If you like a gearshift, you can get one for about $200 less than the automatic option. But if you don't, put your foot down and demand a Datsun 1600 automatic.

And then you can really put your foot down.

Test-drive a Datsun at any of the 200 dealers in Canada.

Impact of Decreased Farm Sales on Alberta Economy

What kind of impact is the $90,000,000 decrease in the sale of farm products, recorded for the first half of this year, going to have on the economy of Alberta as a whole and on rural communities in particular? The decrease for the second half of 1969 is open to speculation, but could also be as high as $90,-000,000 warns an Alberta farm economist.

According to John Pankratz, director of the provincial Economics Division, the present situation is bound to affect the overall provincial economy and the economy of rural areas, but there is no way of knowing the exact magnitude of the impact. He believes, however, that the extent to which it can be dissipated will depend to a considerable degree upon the policy of lending institutions. If, in addition to the sharp decrease in farm cash income, we have a tight money policy, the effect on farmers' purchasing power will be considerable, he says. In many cases it will be difficult for farmers to buy the things they need to carry on next year's operations.

The area in which a farming community is located will also affect the economic outcome of lower farm sales. One would expect the harshest impact to be felt by small towns in districts specializing in wheat production. However, according to Mr. Pankratz, farmers in many well-established wheat production areas, particularly in the south of the province, appear to have projected well into the future and have some cash and-or credit reserves to meet the current crises. With them the crutial question might be "where do we go from here?"

The picture is very different in the northern sector of the province, however. Here low farm sales coupled with unfavorable harvesting conditions will leave many farm families very "short" this Christmas and during the coming year.

Lower fertilizer sales in Alberta and Saskatchewan are an example of the effect decreased purchasing power can have on a product. According to DBS, sales are down 20% in Alberta and 50% in Saskatchewan. We have to recognize, explains Mr. Pankratz, that the use of a farm input such as fertilizer is directly dependent upon the purchasing power of farmers as well as upon the price of the product and the cost of the input.

From a provincial point of view the impact of the diminishing purchasing power on the sale of new cars, equipment and consumer goods in general will not be as strongly felt as might be expected. Most of the money spent on these items leaves the rural communities and, providing other sectors of the economy are strong, the overall effect on the province will not be so noticeable. On the other hand, one must bear in mind, says Mr. Pankratz, that the amount of money that a farmer receives has a very direct bearing on the economy of rural areas because he does most of his spending there.

BOWLING RESULTS

Monday 9-11 p.m. -- Blanks 16, Handicapped 9, In-Laws 14, All-or-nothing 18, Benson 18, Munsters 9.

Extended P.O. Service Planned

Postmaster General Eric Kierans has announced extended postal services during the Christmas season to expedite the movement of some 300,000,000 extra pieces of mail.

To assist customers in the purchase of postage stamps, money orders and other Christmas mailing transactions, full wicket service will be provided at all post officers for three consecutive Saturdays: December 6th, December 13th and December 20th. This additional service will ensure earlier delivery of Christmas mail and relieve the congestion at the post offices.

BURTONSVILLE NEWS

Mr. and Mrs. Douglas MacDougall will celebrate their golden wedding on November 5th, and Mr. and Mrs. Hector Campbell of Teulon, Manitoba will celebrate their 52nd anniversary on November 5th. Pearl is a sister of Douglas's.

Mary Tattersall spent three or four days last week visiting her daughter Fern Terribain and family in Edmonton and while there she attended the meetings carried on by Max Solbrakken which she says were very inspiring.

There were not many Hallowe'eners around these parts, however, some mail boxes were tampered with and in one instance one disappeared.

Eldon and Marge Greanya and children have been having a bout with the flu.

The snow has disappeared and some are out with combines trying to salvage a little more of their crop.

Mr. and Mrs. Wilfred Tyler of Riding Mountain, Manitoba are visiting Mrs. Tyler's sister Emma and Axel Homme.

They have been visiting in the Edson and Hinton area this past week and after visiting friends and relations here, they plan to journey to Edmonton and Kinsella to visit other members of their family.

Rev. Kennedy expects to have his daughter Alice Marshall of Linaria and some of her children visiting him this week for two or three days.

After news of snow in the north again, everyone is happy to see the sunshine in this area again this morning.

Mrs. Liz Coppens (L) received the trophy for second place. In the lower photo Mr. Jevne presents the first place trophy for the girls' tournament to Susan Poloway. Charlene Pinkowski (L) received the second place trophy.

Pembina Scout District Annual Meeting Held

The annual supper meeting of the Pembina District took place in Mayerthorpe Legion Hall on Wednesday, October 29th. After a delicious beef dinner, C. Gould, Area Commissioner called the meeting to order.

The guest speaker, Denny May Regional Scout Executive, was introduced by Lawrence Clark. Denny gave the scout leaders a challenge to think of as they go forward into the 1969-70 year. He asked them to explore the feelings of the boys in scouting endeavors, too often leaders are hamstrung by the book, rules and regulations with the result that the boys drop out of scouting, "where dothe boys go?" he asked. We need 'rebel' leaders, who dare to do the things the boys would like to do in order to have a successful scouting program that will keep the boys interested in scouting right through to adulthood. Denny asked that we recognize outstanding leadership in our boys and in our adult leadership. Every year many awards for outstanding bravery and leadership go begging just because the public is too lackadaisical to nominate such people to the proper authorities, governmental or scouting.

The District Scoutmaster, L. Clark has had a busy year visiting most of the points in our area. Mr. Clark told how Whitecourt tries to involve the whole community in scouting. Scout leaders give a great deal to their communities and it is rewarding to see that several communities show their appreciation to their leaders by giving them small tokens of appreciation.

An active training program was outlined by Doug Aspeslet who gave the report of Fred Tookey, District Training Commissioner.

Denny May made a presentation of the Wood Badge to Doug Aspeslet.

The district was pleased to have as their guest Mark Gibson who was awarded his Queen Scout Award in May 1969. Leonard Gould, Brian Taylor, Ken Wallace and Wayne Taylor, we were also given Queen Scout Awards in 1969. Pembina District takes great pleasure in saluting these five young men. Congratulations boys and keep on scouting.

District was pleased to note the formation of two new groups in our area, one at Fox Creek and one at Gainford.

The meeting was concluded with the selection of the 1969-70 executive. President N. Aspeslet, Evansburg; Treasurer E. Rosentreter, Drayton Valley; Secretary Mrs. P. Tyler, Drayton Valley; District Scout Master L. Clark, Mayerthorpe; and District Cub Master J. MacLean, Drayton Valley.

THE WESTERN REVIEW

Drayton Valley, Alberta
Wednesday, November 12, 1969

GAINFORD NEWS

The first Gainford Wolf Cub Pack was formed at the beginning of October with 23 boys attending. The cub leader is Colin Thorburn with Cec Pohl and Ilene Lenz as assistant leaders. This organization is sponsored by the Gainford Elks and meet every Tuesday evening from 7:00 - 8:30 p.m. They have room for 13 more boys in this pack and anyone who has a boy 8 - 10 years and is interested, can contact any of the leaders.

The Cubs went on a very successful bottle drive Saturday, October 25th and would like to thank the drivers and the people who gave bottles.

Mrs. Janet Hauser is instructing Keep Fit Lessons at Fallis every Tuesday evening and at Gainford every Monday evening, both are very well attended.

Mrs. Winnifred Lenz of Lethbridge and son Alfred of Trochu visited relatives in the district recently.

Mr. and Mrs. Colin Thorburn, Mr. and Mrs. Cec Pohl, Mr. and Mrs. Bud Lenz and Mr. and Mrs. Boris Waloschuk attended the Pembina District Council of Boy Scouts and Cubs Annual Meeting in Mayerthorpe on October 29th.

Several ladies from this area motored to Edmonton to have dinner with Polly Keller October 25th. These ladies all have been and most still are, Gainford Sunday School teachers.

Mrs. Hans Hauser is progressing favorably in the General Hospital in Edmonton after having a stroke quite some time ago.

A Hallowe'en party was held at the Gainford Hall, Friday, October 31st, with nearly 50 children from the area in full costume, most were accompanied by their parents, also in costume.

George Lawley and Buster Harnick judged the costumes with prizes being presented to Terry Rozgo and Lola Waloschuk, first in the pre-school age group. Barry Hauser won first and Derek Waloschuk won second in the boys 6-9 group. In the girls 6-9 group, Cindy York won first and Ruby Melville second. Girls 10 and over was won by Robin Rozgo and boys 10 and over was won by Garry Miller with Jim Meronowich placing second.

Prizes for the adults went to Mr. and Mrs. York who won first in the men and womens group.

The children enjoyed many different games and later lunch was served by the ladies.

Everyone enjoyed this lively evening which was put on by the Gainford Community Society and a special thank you for the generous donations which made it such a success.

Mr. Jim Hauser attended the Hockey Referee Clinic held in Drayton Valley on November 1st and 2nd.

Mrs. George Lawley is instructing the Basic Sewing Class in Gainford every Thursday afternoon and evening.

The Gainford Elks have been doing some improvements on the hall.

Our deepest sympathy to the Hauser family on the recent death of Donald Hauser of New Zealand.

Congratulations to Wayne and Carol Lenz on the arrival of a baby boy on November 2nd, a brother for Carrie.

The book we'd like most to have on a desert island is one that tells how to make a radio transmitter out of sea shells and gull feathers.

Agent Outlines CN Service at Evansburg

Mr. H. Krasewski, Canadian National Railways Agent at Evansburg advises that new mainline train schedules which became effective October 26th provide daily service as follows:

Westbound -- Train No. 5 leaves Evansburg at 1205 arriving Vancouver at 0730. Passengers travelling from Winnipeg and points west to Saskatoon may detrain at Evansburg.

Eastbound -- Train No. 6 leaves Vancouver at 1700 daily arriving Evansburg at 1355 and entrains at Evansburg for points Saskatoon and Winnipeg only. Good connections are made at Saskatoon for Regina and Prince Albert. Train No. 2 "Super Continental" leaves Evansburg at 1625 for points East of Winnipeg.

Advance reservations must be made for all trains. Reservations and tickets may be obtained by phoning Evansburg 727-3533 between 8 a.m. and 5 p.m. Monday through Friday.

Passengers may entrain Saturday and Sunday by making arrangements for tickets in advance.

Never trust a man who says he's boss in his own home - he'll lie about other things too.

U.N.I.C.E.F. Appeal Again Success

Once again the UNICEF Hallowe'en Appeal was most successful in Drayton Valley with $119.00 being realized, from the door to door canvassing.

On behalf of the UNICEF Committee, and C.W.L., thank you" to all the children, donors and special thanks to all the ladies who were responsible for distributing the boxes in their neighborhood.

The UNICEF Committee
Mrs. Mary-Ann Legas
Mrs. Sophie Lemermeyer
Mrs. Maga Telford.

Mother and daughter were in the kitchen washing dishes while father and seven-year-old Johnny were in the living room. Suddenly father and son heard a crash of falling dishes. They listened expectantly.

"It was Mom." said Johnny at last."

"How do you know"? asked his father.

"Because," answered Johnny, "She isn't saying anything."

Father: "Who was your mother talking to for an hour at the door?"

Son: "It was Mrs. Harris, She said she didn't have time to come in."

About 40% of timber used in eastern Canada is water driven to the mills.

Annual Seal Campaign Starts

The Alberta Tuberculosis and Respiratory Disease Association announced the opening of the 1969 Christmas Seal Campaign on November 3rd throughout the province of Alberta. The theme for the 1969 Christmas Seal depicts original Eskimo designs, by Canadian artist William George Parlane.

Kinsmen and Rotary Clubs in Alberta have prepared and mailed over 280,000 letters containing Seals for householders. The provincial objective this year is $294,500.

For more than 29 years, the Alberta TB & RD Association has been fighting tuberculosis. Progress has been remarkable, yet tuberculosis still strikes many.

In recent years, tuberculosis associations across Canada have become concerned with the prevention and treatment of other respiratory diseases - lung cancer emphysema, chronic bronchitis, pleurisy, etc. Emphysema alone has reached almost epidemic proportions, bringing disability and death. Much must be done to find its cause and its cure, and provide for its early detection and treatment.

New Mysteries At Library

This week has brought the following new mystery thrillers to our shelves: "Patchwork of Death" by Peter Nicholas; "Chance to Kill" by Dell Shannon; "The Month of the Peral" by Philip Jones; "Gat Heat" by Richard Prather; "Joker Take Queen" by Bruce Munslow; "A Killer in the Street" by Helen Nielson and "The Real Serendipitour Kill" by Hampton Stone.

Library hours continue to be: Tuesday and Friday from 2 to 5 and 7 to 9 p.m. with noon hours on both days for bus children only.

BUCK CREEK NEWS

We are sorry to hear that Mrs. John Roos has fallen and broken her hip. She is a patient in the Royal Alex Hospital.

Mrs. Lil Gailey flew down to Las Vegas, Nevada to spend the weekend with Ken who is on business there.

Mr. and Mrs. Jock MacCrank are driving a new car this week.

The Ladies Club Supper and Dance which was held November 7th was very well attended.

KEEPHILLS NEWS

The three inches of snow that fell in this area is gone and farmers are hoping for continued dry weather so they can get back into their fields.

It was reported last week that a farmer in the Duffield area went out one morning to find several head of his cattle dead.

The Greenboughs in the Genesse area are able to use their phones again after a few weeks of disrupted communication; the line across the river is the only one not underground.

Mr. Raymond has been working preparing the rink before the weather gets too cold here. He hopes it can be made ready for use a little earlier this year.

Mr. and Mrs. Don MacDougall and family arrived in the middle of the week for the Golden Anniversary of their parent's marriage. Following an evening supper, it will be open house in the Keephills Hall, on Saturday.

Mr. and Mrs. MacDougall have spent those fifty years at home, in this area.

WHO'S NEW

November 3 - Mrs. George Skinner, (Margaret), Brazeau Dam - Boy 7 lbs. 1 oz.

November 3 - Mrs. Wilfred Schnick, (Sylvia), Warburg - Girl 7 lbs. 6 3/4 ozs.

November 4 - Mrs. Dale Platz, (Gloria), Drayton Valley - Boy 7 lbs. 2½ ozs.

November 6 - Mrs. Gary Lindahl, (Marvina), Berrymoor - Boy 8 lbs.

November 6 - Mrs. Allan Woolsey, (Margaret), Drayton Valley - Boy 6 lbs. 15½ ozs.

The winner of this week's baby contest is Mrs. Gary Lindahl with her son weighing 8 lbs. She may pick up her baby spoon at:
